Friendly, enthusiastic Street Team Members wanted for Edinburgh Fringe!

Suzanna Rosenthal Productions presents theatre, comedy, musicals, circus shows and everything in between at the Edinburgh Festival Fringe, in London, around the UK and also overseas. Our portfolio of productions and promotions past and present includes the 2016 Olivier Award-winning *Showstopper! The Improvised Musical*, 2018 Olivier Award-nominated *The B*east*s, Fringe First-winning *Comala*, *Comala* plus *The Ice Hole: A Cardboard Comedy*, *Cruel Intentions: The '90s Musical*, *Cirque Berserk!*, *Cirkopolis* and many, many more!

This summer we will be presenting 10+ shows at the Fringe and we are looking for dynamic, outgoing, friendly, enthusiastic, conscientious and reliable people who really love the arts to be a part of our flying team.

The flying team is a key element of all of our shows' marketing campaigns and every year we look to put together a group of people who are keen to work hard and take on the challenge of building audiences for all of our productions.

The 2026 Fringe runs from 5th - 31st August, and we are looking for people who are available from 3rd August and ideally available to work the full run.

Ideally you will have good knowledge of the Edinburgh area and have either been to or worked at the Edinburgh Fringe before, however this is not a deal breaker. Some form of sales or customer service experience is also desirable. We are looking for candidates who are keen and confident in talking to members of the general public about all of our amazing shows!

The role requires the individual to be positioned in various areas across Edinburgh, handing out flyers and talking to the public, primarily outdoors. Shifts can involve moving around multiple locations each day.

This is a great chance to see behind the scenes of the festival, meet people, and gain an insight into the arts industry, as well as experience the Fringe itself. As part of our street team, you will see all of our shows (so that you can confidently talk about them to potential audiences), meet the artists, and wherever possible receive passes to see additional shows for free (depending on availability) in your spare time. Our producing team is also available to offer advice on getting into the theatre industry, producing and/or presenting work.

[Further information, including how to apply, on following page →](#)

We encourage applications from all candidates, irrespective of gender, gender identity, age, ethnicity, disability, religion, sexual orientation, marital status or any other criteria not related to skills or abilities.

We will be accepting applications and hiring on a rolling basis, and therefore recommend applying as early as you can.
